5. Label the anatomy seen in the radiograph:

Copyright © 2020 by Elsevier Inc. All rights reserved.

McQuillen Martensen 5th Ed. pg. 231 Fig. 4.161

6. Label the anatomy seen in the radiograph:

Copyright © 2020 by Elsevier Inc. All rights reserved.

McQuillen Martensen 5th Ed. pg. 247 Fig. 4.199

7. Match the anatomy listed to the anatomy seen in the radiograph:

Copyright © 2020 by Elsevier Inc. All rights reserved.

McQuillen Martensen 5th Ed. pg. 274 Fig. 5.51

a. Surgical neck

b. Lateral extremity of Clavicle

c. Coracoid process

d. Superior angle of scapula

e. Acromion

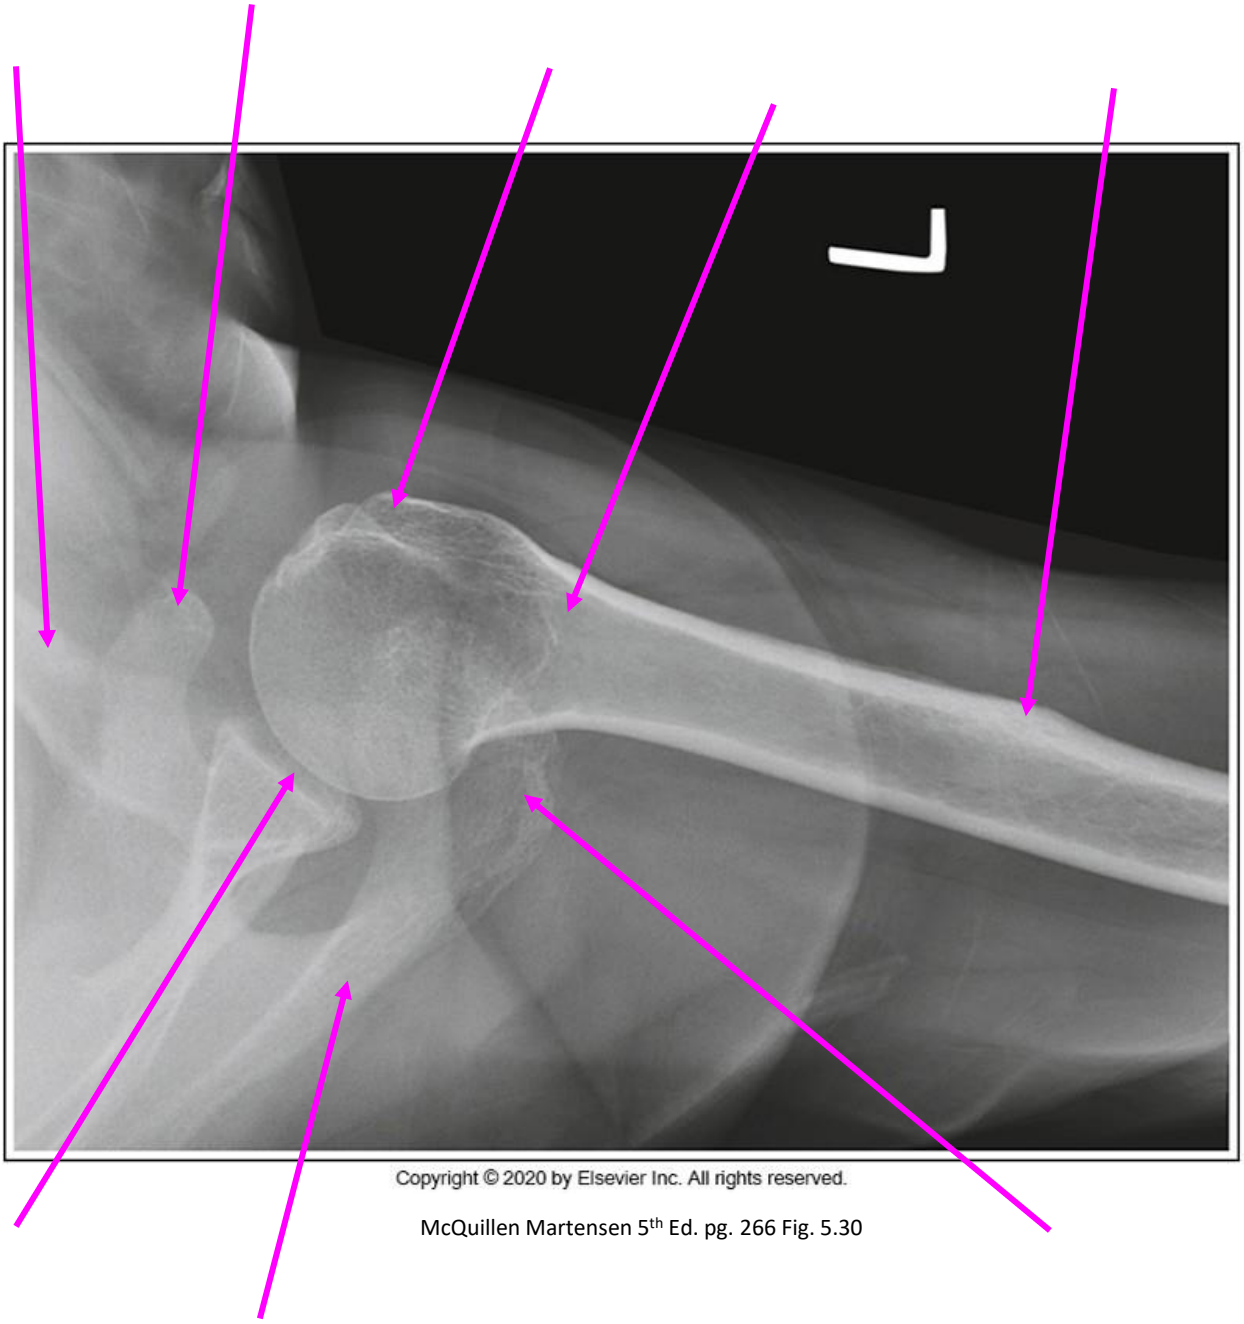

f. Inferior angle of scapula

g. Axillary border

h. Spine of scapula

© Edenbrook College

8. Label the anatomy seen in the radiograph:

Copyright © 2020 by Elsevier Inc. All rights reserved.

McQuillen Martensen 5th Ed. pg. 266 Fig. 5.30

9. Match the anatomy listed to the anatomy seen in the radiograph:

a. AC joint b. Acromion c. Coracoid process d. SC joint

Edenbrook imaging library

e. Superior angle of scapula f. Humeral head g. Body of clavicle
