MEDT 211 Medical Terminology Reflection #2 – forms part of quiz #2 (15%)

Reflection 1: Medical Terminology

Reflections are designed to encourage you to think critically about your experiences, apply theoretical knowledge to practical situations, and develop your professional identity as a medical imaging technologist.

Reflect on the importance of medical terminology in patient communication within the field of medical imaging. Consider the following points:

1. Describe a scenario (real or imagined) where a medical imaging professional needs to explain a procedure to a patient using medical terms.
2. Choose any medical term and explain it so that a patient without medical background can understand.

Word count: 350-450 words
