MRAD 285 Image Critique Rubric

PART 1	1 Point	0 Points	Total Points
Correctly Identify the projection (views) for the specified body part	Correct	Incorrect	/1

PART 1 CONTINUED	2 Points	1 Point	0 Points	Total Points
Image 1 - Explain how the required anatomy in the image can be used to evaluate a minimum of 2 positioning criteria.	Explanation for 2 positioning criteria correct for image 1	Explanation for 1 positioning criteria correct for image 1	Explanation for positioning criteria incorrect for image 1	/2
Image 2 - Explain how the required anatomy in the image can be used to evaluate a minimum of 2 positioning criteria.	Explanation for 2 positioning criteria correct for image 2	Explanation for 1 positioning criteria correct for image 2	Explanation for positioning criteria incorrect for image 2	/2

PART 2	1 Point	0 Points	Total Points
Identify the anatomical structures labelled A	Correct	Incorrect	/1
Identify the anatomical structures labelled B	Correct	Incorrect	/1
Identify the anatomical structures labelled C	Correct	Incorrect	/1
Identify the joints labelled 1	Correct	Incorrect	/1
Identify the joints labelled 2	Correct	Incorrect	/1

PART 3	1 Point	0 Points	Total Points
Image 1 Exposure	Correct	Incorrect	/1
Image 1 Collimation	Correct	Incorrect	/1
Image 1 Marker Placement	Correct	Incorrect	/1
Image 2 Exposure	Correct	Incorrect	/1
Image 2 Collimation	Correct	Incorrect	/1
Image 2 Marker Placement	Correct	Incorrect	/1

PART 3 CONTINUED	2 Points	1 Point	0 Points	Total Points
Image 1 Technique (kVp) with rationale	kVp with rationale both correct	Either kVp or rationale correct	Neither kVp or rationale correct	/2
Image 1 Recommendations for improvement as required, include rationale	2 or more recommendations made with rationale	1 recommendation made with rationale	No recommendations	/2
Image 2 Technique (kVp) with rationale	kVp with rationale both correct	Either kVp or rationale correct	Neither kVp or rationale correct	/2
Image 2 Recommendations for improvement as required, include rationale	2 or more recommendations made with rationale	1 recommendation made with rationale	No recommendations	/2

PART 4	3 Points	2 Points	1 Point	0 Points	Total Points
Image 1 Uses Correct Medical Terminology	3 or more medical terminology terms used for image 1	2 medical terminology terms used for image 1	1 medical terminology term used for image 1	0 medical terminology terms used for image 1	/3
Image 2 Uses Correct Medical Terminology	3 or more medical terminology terms used for image 2	2 medical terminology terms used for image 2	1 medical terminology term used for image 2	0 medical terminology terms used for image 2	/3
