Online Discussion Posting: Self-Evaluation Assignments and Reflection

Answer all of the reflective questions below for weeks 5, 7 and 9, and submit your assignments in the Assignments tab in D2L. Refer to the assignment tab in D2L for appropriate due dates. Assignments should be in **.docx or .pdf formats.**

Answer all of the reflective questions listed below and post in Discussions tab in D2L. Please see Discussions tab for posting information.

Completion of these assignments count towards your professionalism mark; if you miss the deadline, you can submit an assignment up to 7 days past the posted due date. Assignments submitted after the 7 day grace period are considered late and will not be accepted.

Self-Evaluation Assignment Week 5

1. Tell us about your confidence level now that you have completed the first few weeks in your clinical site(s). How is your confidence compared to Week 1?

2. Have you been able to assist or observe some mobile radiography cases? How prepared do you feel for your first rotation in mobile radiography?

3. Identify at least 2 technical skills that you can identify as areas you need to improve upon throughout PRCT 353. How do you plan to improve in those areas?

4. Identify at least 2 professionalism skills that you can identify as areas you need to improve upon throughout PRCT 353. How do you plan to improve in those areas?

5. Do you have any questions about PRCT 353 at this time – grading scheme, competencies, workflow competency evaluation, etc?

Self-Evaluation Assignment Week 7

1. Tell us about (at least) 2 specific goals you set for yourself this week. Were you able to achieve those goals? Why or why not?

2. Tell us about (at least) 1 specific piece of feedback you received this week that was helpful to you.

3. Describe (at least) 1 way you contributed to your team this week, that made you feel valuable.

Self-Evaluation Assignment Week 9

1. Reflect on the feedback that you have received from your preceptors, site liaisons, and instructors throughout the semester.
    - Identify (at least) 1 of your strengths.
    - Identify (at least) 1 opportunity for improvement.

2. Describe an incident /case where you encountered a communication challenge (could be with a patient, preceptor, nurse, etc). What did you learn from this case about overcoming communication barriers?

3. On a scale of 1-10 please rank your stress level (1 being low stress, and 10 being very high stress). What are you stressed about, and is there anything the instructors can do to help support you? Can you think of any ways to better manage your stress level?
